Oval Dining Table & Chairs

Combination Configuration

MEASURING GUIDE

In order to get the best fit of your new custom cover, it is important to make sure all measurements are accurate. Measure outer edges around the table with chairs in position to get the smallest configuration possible. **Submit** images for reference!

A / total length =

B / space between chair backs =

C / total distance of chairs backs =

D / width of chair backs =

E / space between chair backs =

F / table width =

G / table length =

H / chair height =

I / table height =

J / distance across table =

K / distance across table =

L / distance across table =
